Subject: NPDES 4rd Quarter (July - Sept.) 2020 QNCR/SNC Summary
Attachments: 4Q2020 QNCR Summary Final.pdf

Hello.

Happy New Year! I hope everyone was able to take some time over the holidays to rest and recharge. Thank you to the regions that took time out of their busy schedules to meet with us in November and December. Attached is the official QNCR Summary for **4Q2020**. The facilities in red are in significant noncompliance (SNC).

As a reminder: "S" is for a compliance schedule violation; "E" is for an exceedance of a monthly average effluent limit; "X" is for an exceedance of a non-monthly average effluent limit; and "D" is for a missing or late report (greater than 30 days). I have listed these in order of their hierarchy when there are multiple violation types. Also, if we resolve an "S" or a "D" violations and the discharger submits the report, we may still have an "X" or "E" violation that will then display.

Let me know if you have any questions or if any of the data seems erroneous and I will look into it.

Sincerely,
Erin

Erin Mustain, P.E.
